

# CS 285 – SAM Account Setup

Note: You must have a new SAM 2013 code.

## SAM 2013 Instructions

### Create a SAM account

1. Each student must purchase a new SAM 2013 code, because it is an individual Key Code that can be used only once
2. Launch your web browser (Firefox) – **Do not use Google Chrome.**
3. Go to <http://sam.cengage.com> to visit the SAM log in page
4. The first time you enter SAM 2013 you will click New User
  - a. *After* you create an account, you will enter the site with your username and password
5. Enter your Institution Key: **T2045205**
6. SAM will ask you to verify that you have selected the correct institution, select OK if correct.
7. Enter the Key Code that you purchased (This will be found in the SAM 2013 card you purchased with your textbook). **NOTE: This 18-digit code is case-sensitive**
8. Click Save to go to the next screen
9. Create a profile; all fields with an \* are required
10. **Please enter your Crimson email in the Username (Email) field**
11. **In the ID# field, enter your CWID**
12. Confirm or revise your profile as needed
13. Click Save to go to the next screen, then click Confirm (or Revise if necessary)
14. Agree to the Terms & Conditions
15. If you previously had a CengageBrain or Applia account, please read the information on the next page.

### Join a Section

1. At the top of the web page, click the “Sections” link
2. Click the “Join a Section” button
3. From the list available **carefully** find your section (verify the section number and description)
4. Click the icon on the last column (Join a Section) for the correct section
5. A confirmation box should open “Join Section Results” to confirm your section
6. Click the **x** to close the confirmation box
7. Click the Activities link to return to the list or calendar

**Your instructor will *automatically* be notified after you join the correct SAM section.**

**If your SAM Username already exists (You may already have a Cengage or Applia account), please see page 2**

# \*Username Exists in Cengage.com

Why am I getting this popup when I log into SAM?

This Username exists in Cengage.com.

Please enter the Cengage.com password to log in.  
If you have forgotten the password, please click "Forgot your password?" to retrieve it.  
If the Cengage.com account is not yours, please contact your SAM Administrator to create a new SAM 2010 account.

Cengage.com Username: joshdcohen@yahoo.com  
Cengage.com Password:

[Forgot your password?](#)

**Students:** This popup is asking for your CengageBrain.com password. It is linking your accounts, and it is a one time process.

After you enter your CengageBrain.com password in the popup, you can then log into SAM using your SAM password. Entering your CengageBrain.com password in this popup **does not** change your SAM password.

### New User Registration

If you don't have an account with CengageBrain all fields marked with a red asterisk (\*) MUST be completed.

First Name*	Middle Initial (optional)
<input type="text" value="SAM"/>	<input type="text"/>
Last Name*	
<input type="text" value="RYAN"/>	
Email*	
<input type="text" value="ryan@sam.com"/>	Login email already exists

This is your unique username

When a student creates a SAM account, the Cengage system automatically creates them a CengageBrain.com account.

If a new student creates a SAM account, they use that same username and password to log into CengageBrain.com. They do not have to create a new account.
